News from KnowledgeShare - September 2022

Facts and figures

Teams using KnowledgeShare for:

Evidence Updates
118

Evidence Searching
39

Skills Teaching
10

Members receiving updates:
53,278

Support requests from LKS teams:
46

Proportion of LKS members on KnowledgeShare

Months Since Implementation
This graph shows the proportion of LKS members registered on KnowledgeShare vs number of months since implementation, for all subscribing LKSs (anonymised). Each green circle indicates one LKS team. As you can see, there is wide variation in the proportion of members signed up, even taking time since implementation into account. Please do contact us if you would like to know where your team sits on this graph.
