Accreditation as a Veteran Aware Hospital

It is our pleasure to congratulate University Hospitals Sussex NHS Foundation Trust on your accreditation as a Veteran Aware Hospital and to thank you for your hard work demonstrating the NHS commitment to the Armed Forces Covenant and striving to deliver the best possible care to our veterans.

Your formal accreditation as a Veteran Aware Hospital recognises your work identifying and sharing best practice across the NHS as an exemplar of the best standards of care for the Armed Forces community.

Thank you for your work to date and your continuing support to drive these improvements across the NHS.

Yours sincerely,

General Lord Dannatt
