# DAY PASS SYSTEM

Ronald McDonald House Brighton are not always able to support as many families overnight as we wish we could. We still want to offer support to as many families as we can.

This is why we introduced our Day Pass System!  
This means that any family with a child in the ward can come along to the House at 21 Abbey road, Brighton, BN2 1HT, have a tea or coffee and even cook their own lunch. We also offer laundry facilities (£2 per token).

These services are offered 9am - 6pm everyday free of charge but donations are very much appreciated.
